

ROYAL OILFIELD LOGISTICS, SERVICES & SUPPLIES LTD

QUALITY POLICY

ROLSS LTD is committed to be a one-stop leading provider of logistical solutions, integrated oilfield support Services, and industrial supplies that are safe, efficient, reliable and unsurpassed for Oil, Gas, Geothermal and other energy sectors in Africa.

ROLSS LTD management shall monitor, review and continually improve its performance through effective implementation of Quality Management System based on ISO 9001 to consistently meet the statutory, regulatory, customers and other interested parties' requirements.

We further commit to:

- Establish, measure and monitor quality objectives and update them as appropriate.
- Embrace risk-based thinking, process approach and integrate QMS in our business operations.
- Comply with all applicable legal and regulatory requirements and benchmark on industry's best practices.
- Establish and enhance relationship with our partners, external providers and other relevant interested parties for mutual benefits.
- Ensure the policy is communicated, understood, applied within the organization and is available to relevant interested parties as appropriate.
- Continually improve the effectiveness of the Quality Management systems (QMS)

This quality policy will be reviewed and revised periodically to take into account changes in business environment, customer requirements and Quality Management Practices.

Signed:

Mr. James Mbote

MANAGING DIRECTOR

18th September 2019.
